Company Introduction

Introduction

Established in 2010, MA Logistics is one of India's leading client-centered freight forwarding and logistics solutions company, passionate about providing cost-effective, high quality, reliable, on-time end-to-end logistics solutions to corporate customers as well as individuals throughout India.

Our Business

Having gained valuable experience over the years with presence in all major Airports, seaports and ICD's (Inland Container Depot) throughout India, We provide top class logistic services covering Air Freight, Sea Freight, custom clearance, warehousing, trans-shipment and re-forwarding, domestic distribution and a combination of services tailor-made to meet specific requirements of our esteemed clients.

Solution Provider

We ensure that the flow and management of the consignment, warehousing, processing, deployment, transportation, tracking and storage services is not only seamless for our clients but also simplified. This is accomplished by learning customer's exact objectives with regards to their internal and external requirements, thus ensuring that MA Logistics will provide quality services more consistently than any other service provider in the market.

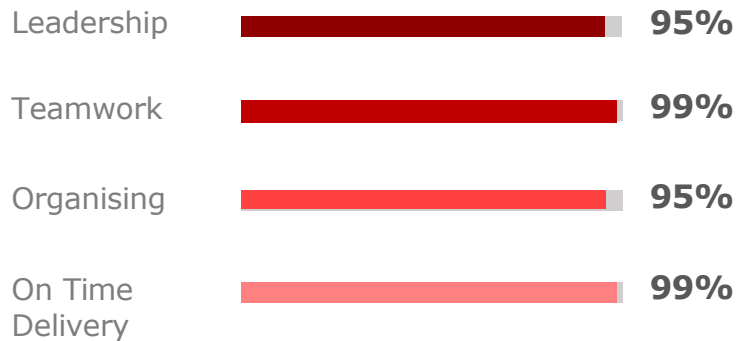

Company Profile

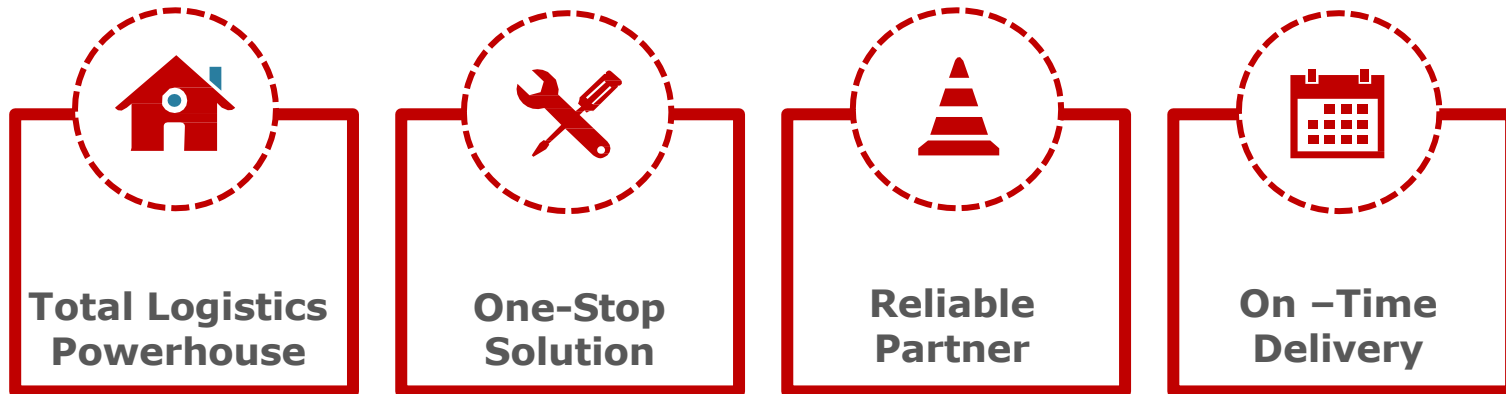

About Us

At MA Logistics, our ultimate goal is to ensure complete customer satisfaction through carefully devised , monitored and timed logistics planning and execution since 2010. Having gained many years of experience, we provide total logistics solutions specifically in the Road, Rail and Air freight movement, which gives our esteemed clients uncompromised and fast delivery network with addition of warehousing , 3PL and many more value added services.

To meet the ever-growing needs of our precious customers by aligning well unitized logistic events, pooling expertise, infrastructure and providing flawless transportation, we ensure just in time placement of cargo is the eternal vision of MA Logistics.

Our Vision

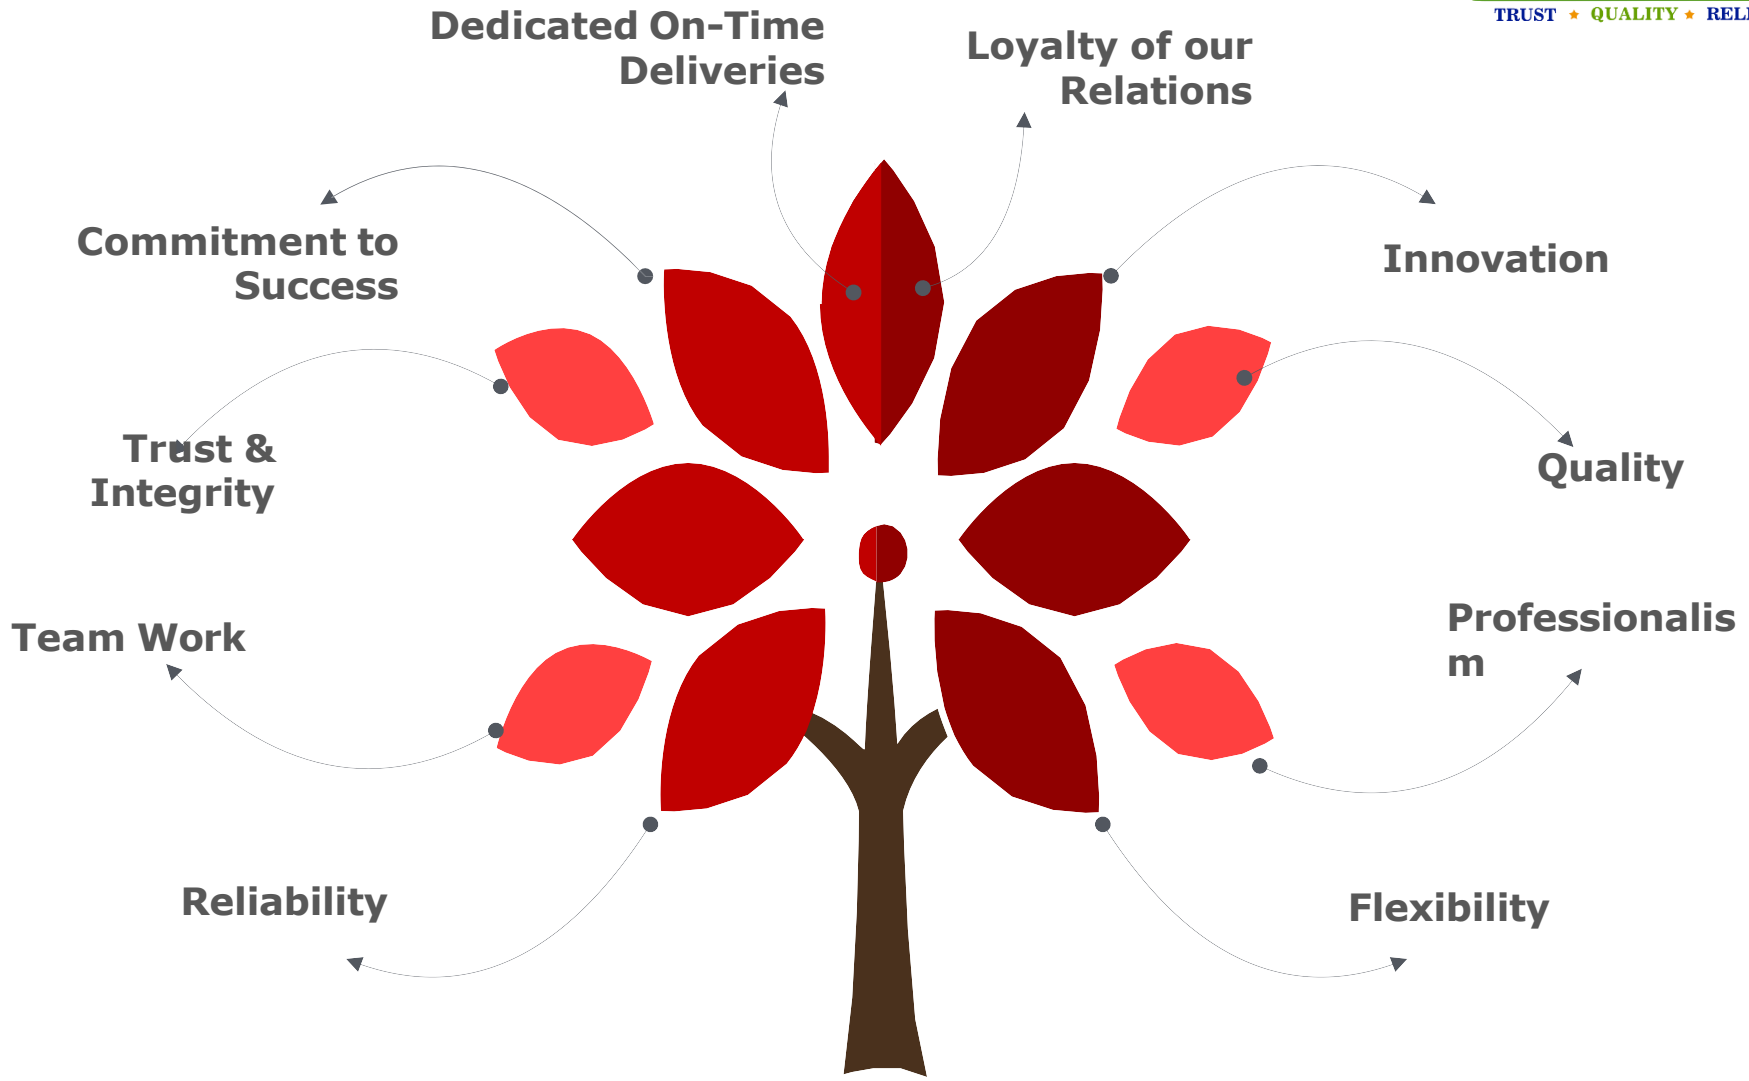

We are determined to remain a reliable, efficient, preferred and integrated Total Logistics Service Powerhouse that will elevate the industry's standard of Freight Forwarding, Logistics and Transportation.

Our Mission

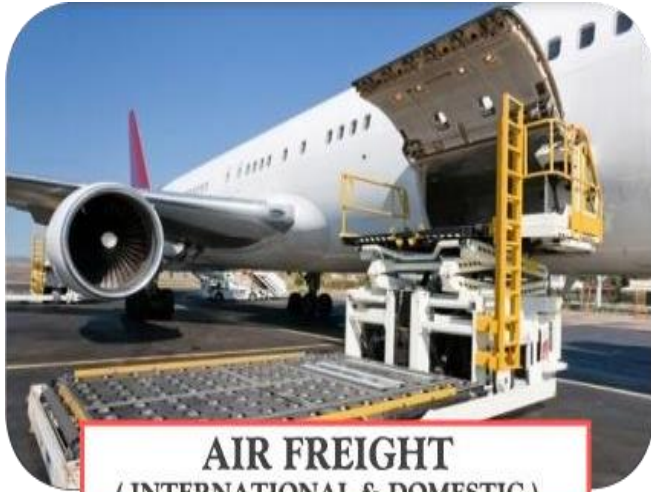

Our primary objectives are to promote simplified quality logistic solutions with professional approach and to maintain our success through steady investments in our service expansions and innovations that continuously delights and exceed our customer's expectations. Our goals are in-line with our vision which is to spread of business globally by deploying excellent service orientated approach for the supply chain, at the same time to promote strategic hubs & distribution centres globally.
